BISHOP DR. ROBERT T. DOUGLAS SR.

To the Executive Board Members, Council Officials and all Delegates; *"Being confident of this very thing, that he who hath begun a good work in you will perform it until the day of Jesus Christ." - Philippians 1:6*

Blessings, glory and honor to our Great God and Savior, the Lord Jesus Christ! Welcome and greetings to you as we embark upon our very first Central California District Council Conference. This is a majestic milestone for our council and in the kingdom of God. It is indeed a pleasure to convene, commune, and worship our Father in spirit and truth; participating in the fulfillment of His dream for us, the members of His body, becoming one in this great city of Tulare, California.

With the dream in mind to encourage, energize, and ignite you, God's New Breed that is anointed, appointed, and destined to lead and succeed, this conference has been tailored into a format and style that allows maximum participation at each session while providing minimum opportunity to miss all that is in store for you. Each session flows seamlessly into the next with sufficient time for transition and the final daytime sessions end at an hour that allows quality time to refresh and restore for dynamic, high-energy evening worship. Additionally, Saturday's schedule has been structured in a manner that enables all to fulfill the dream of supporting our PYPW Worship Service. This conference shall set the pace for maximum participation as we will fellowship together, dine together, and dismiss together...in unity!

Be it known by all that as your "Servant Diocesan", it is certainly my desire to ensure that we all collectively enjoy the benefits of implementing this unique design; allowing us to continue our pursuit of holy excellence in our homes, communities and churches.

In closing, I urge you to actively take advantage of all that our program has to offer and share the love of Christ in so doing.

In pursuit of His favor,

Bishop Robert T. Douglas, Sr.

**SUFFRAGAN BISHOP
DAVID A. RHONE**

Greetings to each of you in the Matchless name of our great God and Savior Jesus Christ!

Giving honor to our Honorable Diocesan, Bishop Robert T. Douglas, Sr. and all delegates and constituents of the "B" 16th Episcopal District of the Pentecostal Assemblies of the World. I take this opportunity to welcome you to our First Annual Conference Session here in the city of Tulare.

I am deeply humbled and grateful to have been selected to serve as the first Chairman of the Central California District Council. As we embark on this journey of building this Council, we must understand who we are; a new breed anointed to lead and succeed. The Lord has strategically placed all of us in position to serve for this time and it is vital that we seize this opportunity within the kingdom. Our success, spiritually and naturally can only be achieved by following the leadership of our Diocesan and putting forth the necessary effort by investing as well as sacrificing our gifts, skills, time and resources to accomplish the will and purpose of God that He has called us to within this Council.

Just as Isaac in Genesis 26, partnered with God, walked by faith and received immeasurable success and blessing; I am confident and convinced that God will do the same for us.

I conclude by extending heartfelt appreciation to our Diocesan Bishop Robert T. Douglas, Sr., and our Executive Board, along with District Elder Stephen Hamilton and the staff of our Conference Program Planning Committee for their efforts and contributions towards the success of conference.

Yours in Christ Jesus,

Suffragan Bishop David A. Rhone
